Weſtmorland, Thurſday *September* 5, at *Apleby.*
Lancaſter, Tueſday *September* 10, at the Caſtle of *Lancaſter.*

Madrid, July 5. On the 30th paſt the Royal Family came to the Pardo. The Intendant Patinno followed the Court thither from the Eſcurial, and having had ſeveral Conferences with the Miniſters, was to ſet out Yeſterday or to Day, in all Haſte, for Barcelona. The Marqueſs de Leide having been ſent for from Saragoſſa to Court, and having had certain Inſtructions given him, is likewiſe on his Departure for Barcelona, whither ſome Regiments are ordered, which 'tis believed are to imbark on board the Squadron that is expected there from Cadiz, and which is to be reinforced by five Men of War that have been fitted out in the Mediterranean. The ſaid Squadron from Cadiz paſſed by Malaga on the 25th of laſt Month. The Pope's Nuncio, Sig. Aldobrandi, has notified his Arrival here to the foreign Miniſters. The Councils of Caſtile, the Indies, the Hazienda or Treaſury, and the Orders, removed laſt Week into the Duke d' Uzeda's Palace, where thoſe Offices are to be kept for the future; as are alſo thoſe of the Secretaries of State and of War, which are removing thither; the Increaſe of the King's Family and Houſehold rendring it neceſſary for them to have all the Royal Palace to themſelves.

Copenhagen, July 10. Laſt Night the King of Denmark, with the Prince Royal, ſet out from hence for Jutland, whence they will proceed to Holſtein, and 'tis believed his Majeſty deſigns to have an Interview afterwards with the King of Pruſſia, and with the Czar. The Fleet of Merchant-Ships which arrived laſt Week from England, ſailed into the Baltick on the 8th Inſtant. Yeſterday Sir George Byng received Advice, by an Expreſs from Dantzick, that the Dragon and the Dartmouth, two of the Britiſh Men of War which are cruiſing between that Place and the Iſle of Gothland, have taken a Swediſh Man of War carrying 36 Guns and 283 Men, and a Privateer of 8 Guns and 35 Men. The Difference which has been for ſome Time between this Court and that of Mecklenbourg, about the Paſſage of the Daniſh Couriers through the Town of Roſtock, is at length accom-
